§ 611.100 Definitions.

The following definitions apply for the purpose of this part:

(a) *Business day* means a day the institution is open for business, excluding the legal public holidays identified in 5 U.S.C. 6103(a).

(b) *FCA* means the Farm Credit Administration.

(c) *Mail ballot* means a ballot cast by regular or electronic mail.

(d) *Online meeting* means a meeting that is conducted over the Internet through the use of mediating technologies, such as online services, computer hardware and software, etc., where technology is used to generate objects and environments that are presented to users through a number of senses (e.g., vision and hearing). The mediating technologies allow people or objects at remote locations to appear locally present or at least allow them to be treated that way during the course of the meeting.

(e) *Online meeting space* means an online environment where Farm Credit institutions can hold stockholder meetings that allow stockholders to communicate, collaborate, and share information. Any stockholder with the necessary technology requirements and access (e.g., password-protected meetings) must be allowed to connect to his or her institution's online meeting space.

(f) *Regional election* means the apportionment of a Farm Credit institution's territory into regions in which a director or directors from a region are elected only by those voting stockholders who reside or conduct agricultural or aquatic operations in that same region.

(g) *Stockholder-association* means an association within a Farm Credit bank district holding voting stock in that bank.

(h) *Stockholder-elected director* means a director who is elected by the majority vote of the voting stockholders voting to serve as a member of a Farm Credit institution's board of directors.

(i) *Voting record date* or *record date* means the official date set by a Farm Credit institution whereby a stockholder must own voting stock in that institution in order to cast a vote.

§ 611.110 Meetings of stockholders.

(a) *Requirement.* Associations must have annual meetings of stockholders for the purpose of conducting annual director elections. Farm Credit banks are encouraged to hold annual or periodic meetings of stockholders. The bylaws of each Farm Credit bank and association must specify the quorum requirements for stockholder meetings. Associations must elect at least one director at each annual meeting, but the vote on the election of a director or directors by mail ballot may only occur in the period following an annual meeting. An online meeting space may be used in addition to a physical meeting space to conduct a stockholders' meeting or director election. A physical meeting space must always exist for association meetings involving director elections and other stockholders' votes.

(b) *Notice.* Each association, and those Farm Credit banks holding annual meetings, must issue an Annual Meeting Information Statement in accordance with the requirements of §§ 620.20 and 620.21 of this chapter.

(c) *Online meeting.* Each Farm Credit bank and association using an online meeting space as part of a meeting or election must have policies and procedures in place addressing how the online meeting space will be accessed and used by participants. The policies and procedures must specifically identify any technological adaptations necessary to address the confidentiality and security in voting requirements of § 611.340.

Subpart B—Bank and Association Board of Directors

SOURCE: 71 FR 5761, Feb. 2, 2006, unless otherwise noted.

§ 611.210 Director qualifications and training.

(a) *Qualifications.* (1) Each bank and association board of directors must establish and maintain a policy identifying desirable director qualifications. The policy must explain the type and level of knowledge and experience desired for board members, explaining how the desired qualifications were identified. The policy must be periodically updated and provided to the institution's nominating committee.

(2) Each Farm Credit institution board must have a director who is a financial expert. Boards of directors for associations with $500 million or less in total assets as of January 1 of each year may satisfy this requirement by retaining an advisor who is a financial expert. The financial advisor must report to the board of directors and be free of any affiliation with the external auditor or institution management. A financial expert is one recognized as having education or experience in: Accounting, internal accounting controls, or preparing or reviewing financial statements for financial institutions or large corporations consistent with the breadth and complexity of accounting and financial reporting issues that can reasonably be expected to be raised by the institution's financial statements.

(b) *Training.* Each bank and association board of directors must establish and maintain a policy for director

training that includes appropriate implementing procedures. The policy must identify training areas supporting desired director qualifications. Each Farm Credit bank and association must require newly elected or appointed directors to complete director orientation training within 1 year of assuming their position and require incumbent directors to attend training periodically to advance their skills.

§ 611.220 Outside directors.

(a) *Eligibility, number and term*—(1) *Eligibility*. No candidate for an outside director position may be a director, officer, employee, agent, or stockholder of an institution in the Farm Credit System. Farm Credit banks and associations must make a reasonable effort to select outside directors possessing some or all of the desired director qualifications identified pursuant to § 611.210(a) of this part.

(2) *Number*. Stockholder-elected directors must constitute at least 60 percent of the members of each institution's board.

(i) Each Farm Credit bank must have at least two outside directors.

(ii) Associations with total assets exceeding $500 million as of January 1 of each year must have no fewer than two outside directors on the board. However, this requirement does not apply if it causes the percent of stockholder-elected directors to be less than 75 percent of the board.

(iii) Associations with $500 million or less in total assets as of January 1 of each year must have at least one outside director.

(3) *Terms of office*. Banks and associations may not establish a different term of office for outside directors than that established for stockholder-elected directors.

(b) *Removal*. Each institution must establish and maintain procedures for removal of outside directors. When the removal of an outside director is sought before the expiration of the outside director's term, the reason for removal must be documented. An institution's director removal procedures must allow for removal of an outside director by a majority vote of all voting stockholders voting, in person or by proxy, or by a two-thirds majority vote of the full board of directors. The outside director subject to the removal action is prohibited from voting in his or her own removal action.

Subpart C—Election of Directors and Other Voting Procedures

SOURCE: 53 FR 50392, Dec. 15, 1988, unless otherwise noted.

§ 611.310 Eligibility for membership on bank and association boards and subsequent employment.

(a) No person shall be eligible for membership on a bank or association board who is or has been, within 1 year preceding the date the term of office begins, a salaried officer or employee of any bank or association in the System.

(b) No bank or association director shall be eligible to continue to serve in that capacity and his or her office shall become vacant if after election as a member of the board, he or she becomes legally incompetent or is convicted of any criminal offense involving dishonesty or breach of trust or held liable in damages for fraud.

(c) No bank director shall, within 1 year after the date when he or she ceases to be a member of the board, serve as a salaried officer or employee of such bank, or any association with which the bank has a discount or agent relationship.

(d) No director of an association shall, within 1 year after he or she ceases to be a member of the board, serve as a salaried officer or employee of such association.

(e) No person shall be eligible for membership on a Farm Credit bank or association board of directors in the same election cycle for which the Farm Credit institution's nominating committee is identifying candidates if that person was elected to serve on that institution's nominating committee and attended any meeting called by the nominating committee.

(f) Out-of-territory borrowers who hold voting stock in the association may serve as association directors unless prohibited by the association's bylaws. If an association's bylaws prohibit it, that association must inform, in writing and at the time of

loanmaking, each out-of-territory borrower that out-of-territory borrowers may not serve as directors.

[53 FR 50392, Dec. 15, 1988, as amended at 54 FR 37095, Sept. 7, 1989; 75 FR 18740, Apr. 12, 2010]

§ 611.320 Impartiality in the election of directors.

(a) Each Farm Credit institution shall adopt policies and procedures that are designed to assure that the elections of board members are conducted in an impartial manner.

(b) No employee or agent of a Farm Credit institution shall take any part, directly or indirectly, in the nomination or election of members to the board of directors of a Farm Credit institution, or make any statement, either orally or in writing, which may be construed as intended to influence any vote in such nominations, or elections. This paragraph shall not prohibit employees or agents from providing biographical and other similar information or engaging in other activities pursuant to policies and procedures for nominations and elections. This paragraph does not affect the right of an employee or agent to nominate or vote for stockholder-elected directors of an institution in which the employee or agent is a voting member.

(c) No property, facilities, or resources, including information technology and human or financial resources, of any Farm Credit institution shall be used by any candidate for nomination or election or by any other person for the benefit of any candidate for nomination or election, unless the same property, facilities, or resources are simultaneously available and made known to be available for use by all declared candidates, including floor nominees. For the limited purpose of Farm Credit bank board elections, each Farm Credit bank may allow its stockholder-associations to use stockholder-association property, facilities, or resources in support of bank director candidates. Any Farm Credit bank permitting this activity by its stockholder-associations must have a policy in place approved by its board of directors establishing reasonable standards that stockholder-associations must follow, and those standards must give appropriate consideration to the various sizes of stockholder-associations within a bank's district and include a maximum amount that a stockholder-association may expend in support of a bank director candidate.

(d) No director, employee, or agent of a Farm Credit institution shall, for the purpose of furthering the interests of any candidates for nomination or election, furnish or make use of records that are not made available for use by all declared candidates.

(e) No Farm Credit institution may in any way distribute or mail, whether at the expense of the institution or another, any campaign materials for director candidates. Institutions may request biographical information, as well as the disclosure information required under § 611.330, from all declared candidates who certify that they are eligible, restate such information in a standard format, and distribute or mail it with ballots or proxy ballots.

(f) No director of a Farm Credit institution shall, in his or her capacity as a director, make any statement, either orally or in writing, which may be construed as intending to influence any vote in that institution's director nominations or elections. This paragraph shall not prohibit director candidates from engaging in campaign activities on their own behalf.

[53 FR 50392, Dec. 15, 1988, as amended at 71 FR 5761, Feb. 2, 2006; 75 FR 18740, Apr. 12, 2010]

§ 611.325 Bank and association nominating committees.

Each Farm Credit bank and association may have only one nominating committee in any one election cycle. Each Farm Credit bank and association's board of directors must establish and maintain policies and procedures on its nominating committee, describing the formation, composition, operation, resources, and duties of the committee, consistent with current laws and regulations. Each nominating committee must conduct itself in the impartial manner prescribed by the policies and procedures adopted by its institution under § 611.320 and this section.

(a) *Composition.* The voting stockholders of each bank and association

must elect a nominating committee of no fewer than three members. Unless prohibited by association bylaws, out-of-territory borrowers who hold voting stock may serve as members of an association's nominating committee. If an association's bylaws prohibit it, that association must inform, in writing and at the time of loanmaking, each out-of-territory borrower that out-of-territory borrowers may not serve on the association's nominating committee.

(b) *Election.* Farm Credit banks and associations may use in-person (including use of an online medium and proxy ballots) or mail balloting procedures to elect a nominating committee.

(1) Farm Credit banks and associations must provide voting stockholders the opportunity to vote on the candidates for each nominating committee position.

(2) Association nominating committee members may only be elected to a 1-year term. Farm Credit Banks must use weighted voting, with no cumulative voting permitted, when electing members to serve on a nominating committee. Farm Credit banks and associations may permit nominating committee members to be re-nominated and stand for re-election to serve successive terms.

(c) *Conflicts of interest.* No individual may serve on a nominating committee who, at the time of election to, or during service on, a nominating committee, is an employee, director, or agent of that bank or association. A nominating committee member may not be a candidate for election to the board in the same election for which the committee is identifying nominees. A nominating committee member may resign from the committee to run for election to the board only if the individual did not attend any nominating committee meeting.

(d) *Responsibilities.* It is the responsibility of each nominating committee to identify, evaluate, and nominate candidates for stockholder election to a Farm Credit bank or association board of directors. A nominating committee's responsibilities are limited to the following:

(1) Nominate individuals who the committee determines meet the eligibility requirements to run for open director positions. The committee must endeavor to ensure representation from all areas of the Farm Credit bank's or association's territory and, as nearly as possible, all types of agriculture practiced within the territory.

(2) Evaluate the qualifications of the director candidates. The evaluation process must consider whether there are any known obstacles preventing a candidate from performing the duties of the position.

(3) Nominate at least two candidates for each director position being voted on by stockholders. If two nominees cannot be identified, the nominating committee must provide written explanation to the existing board of the efforts to locate candidates or the reasons for disqualifying any other candidate that resulted in fewer than two nominees.

(4) Maintain records of its meetings, including a record of attendance at meetings.

(5) Identify, evaluate, and nominate eligible individuals for service on the next nominating committee, if permitted by the institution.

(e) *Resources.* Each Farm Credit bank and association must provide its nominating committee reasonable access to administrative resources in order for the committee to perform its duties. Each Farm Credit bank and association must, at a minimum, provide its nominating committee with FCA regulations and guidance on nominating committees, a current list of stockholders, the most recent bylaws, the current director qualifications policy, and a copy of the policies and procedures that the bank or the association has adopted pursuant to § 611.320(a) ensuring impartial elections. On the request of the nominating committee, the institution must also provide a summary of the current board self-evaluation. The bank or association may require a pledge of confidentiality by committee members prior to releasing evaluation documents.

[75 FR 18741, Apr. 12, 2010]

§ 611.326 Floor nominations for open Farm Credit bank and association director positions.

(a) Each floor nominee must be eligible for the director position for which the person has been nominated.

(b)(1) Voting stockholders of associations must be allowed to make floor nominations for every open stockholder-elected director position. Associations using only mail ballots must allow nominations from the floor at every session of an annual meeting. Associations permitting stockholders to cast votes during annual meetings may only allow nominations from the floor at the first session of the annual meeting.

(2) If floor nominations are permitted by a Farm Credit bank's election policies and procedures, voting stockholders must be allowed to make floor nominations for every open stockholder-elected director position and a physical meeting space must exist. Before every director election by a Farm Credit bank, the bank must inform voting stockholders whether floor nominations will be accepted.

(c) Each association's board of directors must adopt policies and procedures for making and accepting floor nominations of candidates to stand for election to its board of directors. Each Farm Credit bank's board of directors allowing nominations from the floor must also adopt policies and procedures for making and accepting floor nominations. Policies and procedures for floor nominations must, at a minimum, provide that:

(1) Floor nominations may only be made after the nominating committee has provided its list of director-nominees.

(2) No more than a second by a voting stockholder to a nomination from the floor is required. After receiving a floor nomination, the floor nominee must state if he or she accepts the nomination.

(3) Floor nominees must make the disclosures required by § 611.330 of this part.

[75 FR 18741, Apr. 12, 2010]

§ 611.330 Disclosures of Farm Credit bank and association director-nominees.

(a) Each Farm Credit bank and association's board of directors must adopt policies and procedures that ensure a disclosure statement is prepared by each director-nominee. At a minimum, each disclosure statement for each nominee must:

(1) State the nominee's name, city and state of residence, business address if any, age, and business experience during the last 5 years, including each nominee's principal occupation and employment during the last 5 years.

(2) List all business interests on whose board of directors the nominee serves or is otherwise employed in a position of authority and state the principal business in which the business interest is engaged.

(3) Identify any family relationship of the nominee that would be reportable under part 612 of this chapter if elected to the institution's board.

(b)(1) Floor nominees who are not incumbent directors must provide to the Farm Credit bank or association the information referred to in this section and in § 620.6(e) and (f) of this chapter. The information must be provided in either paper or electronic form within the time period prescribed by the institution's bylaws or policies and procedures. If the institution does not have a prescribed time period, each floor nominee must provide this information to the institution within 5 business days of the nomination. If stockholders will not vote solely by mail ballot upon conclusion of the meeting, each floor nominee must provide the information at the first session at which voting is held.

(2) For each nominee who is not an incumbent director or a nominee from the floor, the nominee must provide the information referred to in this section and in § 620.6(e) and (f) of this chapter.

(c) Each Farm Credit bank and association must distribute director-nominee disclosure information to all stockholders eligible to vote in the election. Institutions may either restate such information in a standard format or provide complete copies of each nominee's disclosure statement.

(1) Disclosure information for each director-nominee must be provided as part of the Annual Meeting Information Statement (AMIS) issued for director elections in accordance with § 620.21(b) of this chapter.

(2) Disclosure information for each director-nominee must be distributed or mailed with ballots or proxy ballots. Farm Credit banks and associations must ensure that the disclosure information on floor nominees is provided to voting stockholders by delivering ballots for the election of directors in the same format as the comparable information contained in the AMIS.

(d) No person may be a nominee for director who does not make the disclosures required by this section.

[75 FR 18742, Apr. 12, 2010, as amended at 77 FR 60596, Oct. 3, 2012]

§ 611.340 Confidentiality and security in voting.

(a) Each Farm Credit bank and association's board of directors must adopt policies and procedures that:

(1) Ensure the security of all records and materials related to a stockholder vote including, but not limited to, ballots, proxy ballots, and other related materials.

(2) Ensure that ballots and proxy ballots are provided only to stockholders who are eligible to vote as of the record date set for the stockholder vote.

(3) Provide for the establishment of a tellers committee or an independent third party who will be responsible for validating ballots and proxies and tabulating voting results. A tellers committee may only consist of voting stockholders who are not employees, directors, director-nominees, or members of that election cycle's nominating committee.

(4) Ensure that a list of eligible voting stockholders (or identity codes of eligible voting stockholders) as of the voting record date is provided to the tellers committee or independent third party that will be tabulating the vote to ensure the validity of the votes cast. A small number of specifically authorized administrative employees of the institution may assist the tellers committee in such verifications, provided the institution implements procedures to ensure the confidentiality and security of the information made available to the employees. If an institution is using a tellers committee, verification of voter eligibility must be done separate and apart from the opening and tabulating of the actual ballots and may be done in advance of the vote tabulation, any time after the list of eligible voting stockholders has been provided to the tellers committee.

(5) Ensure that all information and materials regarding how or whether an individual stockholder has voted remain confidential, including protecting the information from disclosure to the institution's directors, stockholders, or employees, or any other person except:

(i) A duly appointed tellers committee;

(ii) A small number of specifically authorized administrative employees assisting the tellers committee by validating stockholders' eligibility to vote;

(iii) An independent third party tabulating the vote; or

(iv) The Farm Credit Administration.

(b) No Farm Credit bank or association may use signed ballots in stockholder votes. A bank or association may use balloting procedures, such as an identity code, that can be used to identify whether an individual stockholder is eligible to vote or has previously submitted a vote. In weighted voting, the votes must be tabulated by an independent third party.

(c) An independent third party or each member of the tellers committee that tabulates the votes, and any administrative employees assisting the tellers committee in verifying stockholder eligibility to vote, must sign a certificate declaring that such party, member, or employee will not disclose to any person (including the institution, its directors, stockholders, or employees) any information about how or whether an individual stockholder has voted, except that the information must be disclosed to the Farm Credit Administration, if requested.

(d) Once a Farm Credit bank or association receives a ballot, the vote of that stockholder is final, except that a stockholder may withdraw a proxy ballot before balloting begins at a stockholders' meeting. A Farm Credit bank or association may give a stockholder voting by proxy an opportunity to give

voting discretion to the proxy of the stockholder's choice, provided that the proxy is also a stockholder eligible to vote.

(e) Ballots and proxy ballots must be safeguarded before the time of distribution or mailing to voting stockholders and after the time of receipt by the bank or association until disposal. When stockholder meetings are held for the purpose of conducting elections or other votes, only proxy ballots may be accepted prior to any or all sessions of the stockholders' meeting and mail ballots may only be distributed after the conclusion of the meeting. In an election of directors, ballots, proxy ballots, and election records must be retained at least until the end of the term of office of the director. In other stockholder votes, ballots, proxy ballots, and records must be retained for at least 3 years after the vote.

(f) An institution and its officers, directors, and employees may not make any public announcement of the results of a stockholder vote before the tellers committee or independent third party has validated the results of the vote.

[80 FR 30335, May 28, 2015]

§ 611.350 Application of cooperative principles to the election of directors.

In the election of directors, each Farm Credit institution shall comply with the following cooperative principles as well as those set forth in § 615.5230 of this chapter, unless otherwise required by statute or regulation.

(a) Each voting stockholder of an association or bank for cooperatives has only one vote, regardless of the number of shares owned or the number of loans outstanding. Each voting stockholder-association of a Farm Credit Bank has only one vote that is assigned a weight proportional to the number of that association's voting stockholders. Each voting stockholder of an agricultural credit bank has only one vote, unless another voting scheme has been approved by the Farm Credit Administration.

(b) If an association apportions its territory into geographic regions for director nomination or election purposes, out-of-territory voting stockholders must be assigned to a geographic region.

(c) All voting stockholders of a Farm Credit institution have the right to vote in any stockholder vote to remove any director.

[75 FR 18742, Apr. 12, 2010]

§ 611.360 [Reserved]

Subpart D—Compensation Practices of Farm Credit Banks and Associations

§ 611.400 Compensation of bank board members.

(a) Farm Credit banks are authorized to pay fair and reasonable compensation to directors for services performed in an official capacity at a rate not to exceed the level established in section 4.21 of the Farm Credit Act of 1971, as amended, unless the FCA determines that such a level adversely affects the safety and soundness of the institution.

(b) The bank director compensation level established in section 4.21 of the Act shall be adjusted to reflect changes in the Consumer Price Index (CPI) for all urban consumers, as published by the Bureau of Labor Statistics, in the following manner: Current year's maximum compensation = Prior year's maximum compensation adjusted by the prior year's annual average percent change in the CPI for all urban consumers. Adjustments will be made to the bank director statutory compensation limit beginning from October 28, 1992 (the date of enactment of the Farm Credit Banks and Associations Safety and Soundness Act of 1992). Additionally, each year the FCA will communicate the CPI adjusted bank director statutory compensation limit.

(c)(1) A Farm Credit bank is authorized to pay a director up to 30 percent more than the statutory compensation limit in exceptional circumstances where the director contributes extraordinary time and effort in the service of the bank and its shareholders.

(2) Banks must document the exceptional circumstances justifying additional director compensation. The documentation must describe:

(i) The exceptional circumstances justifying the additional director compensation, including the extraordinary

time and effort the director devoted to bank business; and

(ii) The amount and the terms and conditions of the additional director compensation.

(d) Each bank board shall adopt a written policy regarding compensation of bank directors. The policy shall address, at a minimum, the following areas:

(1) The activities or functions for which attendance is necessary and appropriate and may be compensated, except that a Farm Credit bank shall not compensate any director for rendering services on behalf of any other Farm Credit System institution or a cooperative of which the director is a member, or for performing other assignments of a non-official nature;

(2) The methodology for determining each director's rate of compensation; and

(3) The exceptional circumstances under which the board would pay additional compensation for any of its directors as authorized by paragraph (c) of this section.

(e) Directors may also be reimbursed for reasonable travel, subsistence, and other related expenses in accordance with the bank's policy.

(a) The boards of directors of a bank and an association which seek to transfer authorities may adopt appropriate resolutions approving such transfer and providing for the submission of such a proposal to their respective stockholders for a vote.

(b) The resolutions accompanied by the following information shall be submitted to the Farm Credit Administration for review and approval:

(h) Each constituent association must notify its stockholders not later than 30 days after the stockholder vote of the final results of the vote. Upon approval of a proposed merger or consolidation by the stockholders of the constituent associations, each association must submit to the FCA a certified copy of the stockholders' resolution on which the stockholders cast their votes and a certification of the stockholder vote from the independent third party(s) used to tally the vote. (a) Territorial adjustments, except as specified in paragraph (m) of this section, require approval of a majority of the voting stockholders of each association present and voting or voting by written proxy at a duly authorized meeting at which a quorum is present.

(b) When two or more associations agree to transfer territory, each association must submit a proposal to the funding bank containing the following:

(1) A statement of the reasons for the proposed transfer and the impact the transfer will have on its stockholders and holders of participation certificates;

(2) A certified copy of the resolution of the board of directors of each association approving the proposed territory transfer;

(3) A copy of the agreement to transfer territory that contains the following information:

(i) A description of the territory to be transferred;

(ii) Transferor association's plan to transfer loans and the types of loans to be transferred;

(iii) Transferor association's plan to retire and transferee association's plan to issue equities held by holders of stock, participation certificates, and allocated equities, if any, and a statement by each association that the book value of its equities is at least equal to par;

(iv) An inventory of the assets to be sold by the transferor association and purchased by the transferee association;

(v) An inventory of the liabilities to be assumed from the transferor association by the transferee association;

(vi) A statement that the holders of stock and participation certificates whose loans are subject to transfer have 60 days from the effective date of the territory transfer to inform the transferor association of their decision to remain with the transferor association for normal servicing until the current loan is paid;

(vii) A statement that the transfer is conditioned upon the approval of the stockholders of each constituent association; and

(viii) The effective date of the proposed territory transfer.

(4) A copy of the stockholder disclosure statement provided for in paragraph (f) of this section; and

(5) Any additional relevant information or documents that the association wishes to submit in support of its request or that may be required by the FCA.

(c) Upon receipt of documents supporting a proposed territory transfer, the funding bank must review the materials submitted and provide the associations with its analysis of the proposal within a reasonable period of time. The funding bank must concurrently advise the FCA of its recommendation regarding the proposed territory transfer. Following review by the bank, the associations must transmit the proposal to the FCA together with all required documents.

(d) Upon receipt of an association's request to transfer territory, the FCA will review the request and either deny or grant preliminary approval to the request. The FCA may require submission of any supplemental information and analysis it deems appropriate for its consideration of the request to transfer territory.

(1) When a request is denied, written notice stating the reasons for the denial will be transmitted to the associations, and a copy provided to the funding bank.

(2) When a request is preliminarily approved, written notice of the preliminary approval will be transmitted to the associations, and a copy provided to the funding bank. Preliminary approval by the FCA does not constitute approval of the territory transfer. Final approval is granted only in accordance with paragraph (h) of this section. In connection with granting preliminary approval, the FCA may impose conditions in writing.

(e) Upon receipt of preliminary approval by the FCA, each constituent association must, by written notice, and in accordance with its bylaws, call a meeting of its voting stockholders. The affirmative vote of a majority of the voting stockholders of each association present and voting or voting by written proxy at a meeting at which a quorum is present is required for stockholder approval of a territory transfer.

(f) Notice of the meeting to consider and act upon a proposed territory transfer must be accompanied by the following information covering each constituent association:

(1) A statement either on the first page of the materials or on the notice of the stockholders' meeting, in capital letters and bold face type, that:

THE FARM CREDIT ADMINISTRATION HAS NEITHER APPROVED NOR PASSED UPON THE ACCURACY OR ADEQUACY OF THE INFORMATION ACCOMPANYING THE NOTICE OF MEETING OR PRESENTED AT THE MEETING AND NO REPRESENTATION TO THE CONTRARY SHALL BE MADE OR RELIED UPON.

(2) A copy of the Agreement to Transfer Territory and a summary of the major provisions of the Agreement;

(3) The reason the territory transfer is proposed;

(4) A map of the association's territory as it would look after the transfer;

(5) A summary of the differences, if any, between the transferor and transferee associations' interest rates, interest rate policies, collection policies, service fees, bylaws, and any other items of interest that would impact a borrower's lending relationship with the institution;

(6) A statement that all loans of the transferor association that finance operations located in the transferred territory will be transferred to the transferee association except as otherwise provided for in this section or in accordance with agreements between the associations as provided for in §614.4070;

(7) Where proxies are to be solicited, a form of written proxy, together with instructions on the purpose and authority for its use, and the proper method for signature by the stockholders; and

(8) A statement that the associations' bylaws, financial statements for the previous 3 years, and any financial information prepared by the associations concerning the proposed transfer of territory are available on request to the stockholders of any association involved in the transaction.

(g) No Farm Credit institution, or director, officer, employee, agent, or other person participating in the conduct of the affairs thereof, may make any untrue or misleading statement of a material fact, or fail to disclose any material fact necessary under the circumstances to make statements made not misleading, to a stockholder of any

Farm Credit institution in connection with a territory transfer.

(h) Upon approval of a proposed territory transfer by the stockholders of the constituent associations, a certified copy of the stockholders' resolution for each constituent association and one executed Agreement to Transfer Territory must be forwarded to the FCA. The territory transfer will be effective when thereafter finally approved and on the date as specified by the FCA. Notice of final approval will be transmitted to the associations and a copy provided to the bank.

(i) No director, officer, employee, agent, or other person participating in the conduct of the affairs of a Farm Credit institution may make an oral or written representation to any person that a preliminary or final approval by the FCA of a territory transfer constitutes, directly or indirectly, a recommendation on the merits of the transaction or an assurance concerning the adequacy or accuracy of any information provided to any association's stockholders in connection therewith.

(j) When a Farm Credit institution, or any of its employees, officers, directors, agents, or other persons participating in the conduct of the affairs thereof, make disclosures or representations that, in the judgment of the FCA, are incomplete, inaccurate, or misleading in connection with a territory transfer, whether or not such disclosure or representation is made in disclosure statements required by this subpart, such institution must make such additional or corrective disclosure as directed by the FCA and as is necessary to provide stockholders and the general public with full and fair disclosure.

(k) The notice and accompanying information required under paragraph (f) of this section may not be sent to stockholders until preliminary approval of the territory transfer has been granted by the FCA.

(l) Where a territory transfer is proposed simultaneously with a merger or consolidation, both transactions may be voted on by stockholders at the same meeting. Only stockholders of a transferee or transferor association may vote on a territory transfer.

(m) Each borrower whose real estate or operations is located in a territory that will be transferred must be provided with a written Notice of Territory Transfer immediately after the FCA has granted final approval of the territory transfer. The Notice must inform the borrower of the transfer of the borrower's loan to the transferee association and the exchange of related equities for equities of like kinds and amounts in the transferee association. If a like kind of equity is not available in the transferee association, similar equities must be offered that will not adversely affect the interest of the owner. The Notice must give the borrower 60 days from the effective date of the territory transfer to notify the transferor association in writing if the borrower decides to stay with the transferor association for normal servicing until the current loan is paid. Any application by the borrower for renewal or for additional credit must be made to the transferee association, except as otherwise provided for by an agreement between associations in accordance with § 614.4070.

(n) This section does not apply to territory transfers initiated by order of the FCA or to territory transfers due to the liquidation of the transferor association.

(o) Where a proposed action involves the transfer of a portion of an association's territory to an association operating in a different district, such proposal must comply with the provisions of this section and section 5.17(a) of the Act.

§ 611.1125 Treatment of associations not approving districtwide mergers.

(a) *Issuance of charters.* When issuing charters or certificates of territory for districtwide mergers or consolidations of associations, the FCA will not issue any charters or certificates of territory that include the territory of one or more associations whose stockholders voted to disapprove the merger or consolidation.

(b) A funding bank must not take any of the following actions with respect to an association that has determined to not participate in a districtwide merger or consolidation:

(1) Discriminate in the provision of any financial service and assistance, including, but not limited to, access to loan funds and rates of interest on loans and discounts offered by the funding bank to associations and their member/borrowers;

(2) Discriminate in the provision of any related services that are offered by the funding bank to associations and their member/borrowers;

(3) Discriminate in the provision of any professional assistance that may be normally provided by the funding bank to associations; or

(4) Discriminate in the provision of any technical assistance that may be normally provided by the funding bank to associations.

(c) This regulation does not prohibit a funding bank from taking any action with respect to an association, including, but not limited to, charging different rates of interest or different prices for services, or declining to provide financial assistance; provided that any such action is fully documented and based on an objective analysis of applicable criteria that are uniformly and consistently applied by the funding bank to all associations in the district.

§611.1126 Reconsiderations of mergers and consolidations.

(a) Voting stockholders have the right to reconsider their approval of a merger or consolidation, provided that a petition is filed with the FCA. The petition must be signed by 15 percent of the stockholders (who were eligible to vote on the merger or consolidation proposal) of one or more of the constituent associations. The reconsideration petition must be filed with the FCA within 35 days after the date when the association mailed the notification of the final results of the stockholder vote pursuant to §611.1122(h).

(b) Voting stockholders that intend to file a reconsideration petition have a right to obtain from the association of which they are a voting stockholder the voting record date list used by that association for the merger or consolidation vote. The association must provide the voting record date list as soon as possible, but not later than 7 days after receipt of the request. The list must be provided pursuant to the provisions of §618.8310(b) of this chapter.

(c) A reconsideration petition must be addressed to the Secretary of the FCA Board and filed with the FCA on or before the deadline described in paragraph (a) of this section. Reconsideration petitions must identify a contact person and provide contact information for that person.

(1) Filing of a reconsideration petition may only be accomplished through in-person delivery during normal business hours to any FCA employee in official duty status or by sending the petition by mail, facsimile, electronic transmission, carrier delivery, or other similar means to an FCA office.

(2) The FCA will use the postmark, ship date, electronic stamp, or similar evidence as the date of filing the reconsideration petition.

(d) The FCA will notify the named contact on the reconsideration petition whether the petition was filed on time. On the timely receipt of a reconsideration petition, the FCA will review the petition to determine whether it complies with the requirements of section 7.9 of the Act. Following a determination that the petition was timely filed and complies with applicable requirements, the FCA will give notice to the associations involved in the merger or consolidation for which the reconsideration petition was filed. The associations are not entitled to either a copy of the petition or the names of the petitioners.

(e) Following FCA notification that a reconsideration petition has been properly filed, a special stockholders meeting must be called by the association(s) to reconsider the merger or consolidation vote. The reconsideration vote must be conducted according to the merger and consolidation voting requirements of §611.1122(d). If a majority of the stockholders voting, in person or by proxy, at a duly authorized stockholders' meeting from any one of the constituent associations vote against the merger or consolidation under the reconsideration vote, the merger or consolidation will not take place. In the event that the merger or consolidation is approved on reconsideration,

the constituent associations must use the second effective date developed under § 611.1122(g)(1).

Subpart H—Rules for Inter-System Fund Transfers

§ 611.1130 Inter-System transfer of funds and equities.

(a) Section 5.17(a)(6) of the Act authorizes the FCA to regulate the borrowing, repayment, and transfer of funds and equities between institutions of the System, including banks, associations, and service corporations chartered under the Act. This section sets forth the circumstances and procedures under which the FCA may direct such a transfer of funds and equities based on its determination with respect to the financial condition of one or more institutions of the System. For purposes of this section, the term ''bond'' refers to long-term notes, bonds, debentures, or other similar obligations, or short-term discount notes issued by one or more banks pursuant to section 4.2 of the Act.

(b) The FCA may direct a transfer of funds or equities by one or more banks of the System to another bank of the System where it determines that:

(1) The receiving institution will not be able to make payments of principal or interest on bonds for which it is primarily liable within the meaning of section 4.4(a) of the Act; or

(2) The common or preferred stock, participation certificates, or allocated equities of the receiving institution have a book value less than their par or stated values; or

(3) The total bonds outstanding for which the receiving institution is primarily liable exceed 20 times the combined capital and surplus accounts of the bank; or

(4) Based on application to it of one or more of the following ratios, the receiving institution is not financially viable in that it will not be able to continue to extend new or additional credit or financial assistance to its eligible borrowers:

(i) The ratio of stock to earned net worth (including legal reserve, unallocated and reserved surplus, undistributed earnings, and allowance for losses) exceeds 2 to 1;

(ii) The ratio of the outstanding bonds to capital and surplus exceeds 15 to 1;

(iii) Nonearning assets (any noninterest-bearing assets, including but not limited to cash, noninterest-earning loans, net fixed assets, other property owned, accrued interest receivable, and accounts receivable) exceed 15 percent of total assets;

(iv) Lendable net worth (interest-earning assets less interest-bearing liabilities) is zero or less.

(c) The FCA may direct a transfer of funds or equities between two or more Federal land bank associations or two or more production credit associations in district where it determines that such transfer:

(1) Is necessary to provide financial support to the district bank in which those associations are stockholders based on application of the criteria to the bank as set forth in paragraph (b) of this section; or

(2) Is necessary to provide financial support to one or more other like associations in the district based on application of the criteria set forth in paragraph (b)(2) or (b)(4) of this section to the associations, provided that in applying paragraph (b)(4)(ii) of this section the ratio of outstanding indebtedness to capital and surplus of the receiving association(s) shall not exceed 9 to 1; or

(3) Is an integral part of a plan that has been adopted by other institutions of the System, and approved by the FCA, under which those institutions will extend financial assistance to the district bank in which those associations are stockholders.

(d) A direction by the FCA for a transfer of funds or equities pursuant to this section shall be signed by the Chairman and shall establish the amount, timing, duration, repayment, and other terms of assessments necessary to accomplish such transfer, taking into consideration the financial condition of each institution to be assessed. Where the FCA directs a transfer of funds or equities between associations under paragraph (c) (1) or (2) of this section, it may authorize the district bank in which such associations

are stockholders to accomplish the necessary assessments through debits and credits to the accounts of the bank.

(7) Any other supporting documentation that we may request.

(d) *What will we do with your application?* If we approve your completed application, we will issue a charter for your service corporation as a corporate body and a federally chartered instrumentality. We may condition the issuance of a charter, including imposing minimum capital requirements, as we deem appropriate. For good cause, we may deny your application.

(e) *Once your service corporation is formed, how are its articles of incorporation amended?* Your service corporation's articles of incorporation may be amended in either of two ways:

(1) The board of directors of the corporation may request that we amend the articles of incorporation by sending us a certified resolution of the board of directors of the service corporation that states the:

(i) Section(s) to be amended;

(ii) Reason(s) for the amendment;

Subpart J—Unincorporated Business Entities

SOURCE: 78 FR 31831, May 28, 2013, unless otherwise noted.

§ 611.1150 Purpose and scope.

(a) *Purpose.* This subpart sets forth the parameters for one or more Farm Credit System (System) institutions to organize or invest in an Unincorporated Business Entity (UBE) in accordance with the Farm Credit Act of 1971, as amended (Act).

(b) *Scope.* Except as authorized under these regulations, no System institution may manage, control, become a member or partner, or invest in a State-organized or chartered business entity. This subpart applies to each System institution that organizes or invests in a UBE, including a UBE organized for the express purpose of investing in a Rural Business Investment Company. This subpart does not apply to UBEs that one or more System institutions have the authority to establish as Rural Business Investment Companies pursuant to the provisions of title VI of the Farm Security and Rural Investment Act of 2002, as amended (FSRIA) and United States

Department of Agriculture regulations implementing FSRIA.

§611.1151 Definitions.

For purposes of this subpart, the following definitions apply:

Articles of formation means registration certificates, charters, articles of organization, partnership agreements, membership or trust agreements, operating, administration or management agreements, fee agreements or any other documentation on the establishment, ownership, or operation of a UBE.

Control means that one System institution, directly or indirectly, owns more than 50 percent of the UBE's equity *or* serves as the general partner of an LLLP, or constitutes the sole manager or the managing member of a UBE. However, under generally accepted accounting principles (GAAP), the power to control may also exist with a lesser percentage of ownership, for example, if a System institution is the UBE's primary beneficiary, exercises significant influence over the UBE or establishes control under other facts and circumstances in accordance with GAAP. Under this definition, a System institution also will be deemed to have control over the UBE if it exercises decision-making authority in a principal capacity of the UBE as defined under GAAP.

Equity investment means a System institution's contribution of money or assets to the operating capital of a UBE that provides ownership rights in return.

System institution means each System bank under titles I or III of the Act, each System association under title II of the Act, and each service corporation chartered under section 4.25 of the Act.

Third-party UBE means a UBE that is owned or controlled by one or more non-System persons or entities as the term ''control'' is defined under GAAP.

UBE means a Limited Partnership (LP), Limited Liability Partnership (LLP), Limited Liability Limited Partnership (LLLP), Limited Liability Company (LLC), Business or other Trust Entity (TE), or other business entity established and maintained under State law that is not incorporated under any law or chartered under Federal law.

UBE business activity means the services and functions delivered by a UBE for one or more System institutions.

Unusual and complex collateral means acquired property that may expose the owner to risks beyond those commonly associated with loans, including, but not limited to, acquired industrial or manufacturing properties where there is increased risk of incurring potential environmental or other liabilities that may accrue to the owners of such properties.

§611.1152 Authority over equity investments in UBEs for business activity.

(a) *Regulation, supervisory, oversight, examination and enforcement authority.* FCA has regulatory, supervisory, oversight, examination and enforcement authority over each System institution's equity investment in or control of a UBE and the services and functions that a UBE performs for the System institution. This includes FCA's authority to require a System institution's dissolution of, disassociation from, or divestiture of an equity investment in a UBE, or to otherwise condition the approval of equity investments in UBEs.

(b) *Assessing UBE investments and business activity.* In accordance with section 5.15 of the Act, the cost of regulating and examining System institutions' activities involving UBEs will be taken into account when assessing a System institution for the cost of administering the Act.

§611.1153 General restrictions and prohibitions on the use of UBEs.

(a) *Authorized UBE business activity.* All UBE business activity must be:

(1) Necessary or expedient to the business of one or more System institutions owning the UBE; and

(2) In no instance greater than the functions and services that one or more System institutions owning the UBE are authorized to perform under the Act and as determined by the FCA.

(b) *Circumvention of cooperative principles.* System institutions are prohibited from using UBEs to engage in direct lending activities or any other activity that would circumvent the application of cooperative principles, including borrower rights as described in section 4.14A of the Act, or stock ownership, voting rights or patronage as described in section 4.3A of the Act.

(c) *Transparency and the avoidance of conflicts of interest.* Each System institution must ensure that:

(1) The UBE is held out to the public as a separate or subsidiary entity;

(2) The business transactions, accounts, and records of the UBE are not commingled with those of the System institution; and

(3) All transactions between the UBE and System institution directors, officers, employees, and agents are conducted at arm's length, in the interest of the System institution, and in compliance with standards of conduct rules in §§ 612.2130 through 612.2270.

(d) *Limit on one-member UBEs.* A UBE owned solely by a single System institution (including between and among a parent agricultural credit association and its production credit association and Federal land credit association subsidiaries and between a parent agricultural credit bank and its subsidiary Farm Credit Bank) as a one-member UBE is limited to the following special purposes:

(1) Acquiring and managing the unusual or complex collateral associated with loans; and

(2) Providing limited services such as electronic transaction, fixed asset, trustee or other services that are integral to the daily internal operations of a System institution.

(e) *Limit on UBE partnerships.* A System institution operating through a parent-subsidiary structure may not create a UBE partnership between or among the parent agricultural credit association and its production credit association and Federal land credit association subsidiaries or between a parent Agricultural Credit Bank and its Farm Credit Bank subsidiary.

(f) *Prohibition on UBE subsidiaries.* Except as provided in this paragraph, a System institution may not create a subsidiary of a UBE that it has organized or invested in under this subpart or enable the UBE itself to create a subsidiary or any other type of affiliated entity. A System institution may establish a UBE as a subsidiary of a UBE formed pursuant to paragraph (d)(1) of this section to hold each investor's pro-rata interest in acquired property provided that the loan collateral at issue involves a multi-lender transaction that includes System and non-System lenders.

(g) *Limit on potential liability.* (1) Each System institution's equity investment in a UBE must be established in a manner that will limit potential exposure of the System institution to no more than the amount of its investment in the UBE.

(2) A System institution cannot become a general partner of any partnership other than an LLLP.

(h) *Limit on amount of equity investment in UBEs.* The aggregate amount of equity investments that a single System institution is authorized to hold in UBEs must not exceed one percent of the institution's total outstanding loans, calculated at the time of each investment. On a case-by-case basis, FCA may approve an exception to this limitation that would exceed the one-percent aggregate limit. Conversely, FCA may impose a percentage limit lower than the one-percent aggregate limit based on safety or soundness and other relevant concerns. This one-percent aggregate limit does not apply to equity investments in one-member UBEs formed for acquired property as permitted in paragraph (d)(1) of this section. Any equity investment made in a UBE by a service corporation must be attributed to its System institution owners based on the ownership percentage of each bank or association.

(i) *Prohibition on relationship with a third-party UBE.* A System institution is prohibited from:

(1) Making any equity investment in a third-party UBE except as may be authorized on a case-by-case basis under § 615.5140(e) of this chapter for de minimis and passive investments. Such requests would be considered outside of this rule.

(2) Serving as the general partner or manager of a third-party UBE; or

(3) Being designated as the primary beneficiary of a third-party UBE, either alone or with other System institutions.

(j) *Limitation on non-System equity investments.* Non-System persons or entities may not invest in a UBE that is controlled by a System institution except that non-System persons or entities may own 20 percent or less of the equity of a System-controlled UBE organized to deliver services integral to the daily internal operations of a System institution.

(k) *UBEs formed for acquiring and managing collateral.* The provisions of paragraphs (i) and (j) of this section do not apply to UBEs formed for the purpose of acquiring and managing unusual or complex collateral associated with multiple-lender loan transactions in which non-System persons or entities are participants.

§611.1154 Notice of equity investments in UBEs.

(a) *Applicability.* This notice provision is applicable only to System institutions that wish to make an equity investment in UBEs whose activities are limited to the following purposes:

(1) Acquiring and managing unusual or complex collateral associated with loans;

(2) Providing hail or multi-peril crop insurance services in collaboration with another System institution in accordance with §618.8040 of this chapter; and

(3) Any other UBE business activity that FCA determines to be appropriate for this notice provision.

(b) *Notice requirements.* System institutions must provide written notice to FCA so that the notice is received by FCA no later than 10 business days in advance of making an equity investment in a UBE for authorized UBE business activity described in paragraph (a) of this section. The notice must include:

(1) The UBE's articles of formation, including its name and the State in which it is organized, length of time it will exist, its partners or members, and its management structure;

(2) The dollar amount of the System institution's equity investment in the UBE;

(3) A certified resolution of the System institution's board of directors authorizing the equity investment in, and business activity of, the UBE and the board's approval to submit the notice to the FCA. For UBEs organized to acquire and manage unusual or complex collateral associated with loans as identified in paragraph (a)(1) of this section, the board of directors may adopt a blanket board resolution to cover all such UBEs that the System institution will organize.

(4) Except for those UBEs identified in paragraph (a)(1) of this section, a board statement included with the certified board resolution affirming that the UBE:

(i) Is needed to achieve operating efficiencies and benefits;

(ii) Is necessary or expedient to the System institution's business;

(iii) Will operate with transparency;

(iv) Will conduct its business activity in a manner designed to prevent conflicts of interest between its purpose and operations and the mission and operations of the System institution(s);

(v) Will otherwise be in compliance with applicable Federal, State, and local laws; and

(b) *Supplementation or omission of information.* FCA may require the supplementation or allow the omission of any information required under paragraph (a) of this section based on the complex or noncomplex nature of the proposed UBE.

(c) *Denial of a request.* The FCA will specify in writing to the submitting System institutions the reasons for denial of any request to organize or invest in a UBE.

§ 611.1156 Ongoing requirements.

A System institution that organizes or invests in a UBE must also comply with the following requirements:

(a) Maintain and ensure FCA's access to all books, papers, records, agreements, reports and other documents of each UBE necessary to document and protect the institution's interest in each entity;

(b) Divest, as soon as practicable, the institution's equity or beneficial interest in, and sever any relationship with a UBE:

(1) That conducts activities beyond those authorized to carry out its limited purpose or that are contrary to the Act or FCA regulations, or as otherwise directed to do so by FCA; or

(2) Where non-System persons or entities obtain control as defined under GAAP. This paragraph does not apply

to UBEs formed for the purpose of acquiring and managing unusual or complex collateral associated with multiple-lender loan transactions in which non-System persons or entities are participants.

§ 611.1157 Disclosure and reporting requirements.

(b) *System institutions' obligations.* All System institutions with grandfathered UBEs:

(1) Remain subject to their conditions of approval;

(2) Are subject to the ongoing requirements of § 611.1156 and the disclosure and reporting requirements of § 611.1157; and

(3) May not change or expand the authorized business activity, service, or function of the UBE as approved by FCA, add or increase the level of non-System ownership in the UBE to the extent such ownership is authorized under § 611.1153(j), or change control of the UBE as control is defined in § 611.1151 without giving written notice of such changes to FCA at least 10 business days in advance of any such change or expansion.

(4) A System institution may not proceed with any change or expansion as defined in paragraph (b)(3) of this section if the FCA notifies the institution before the end of the 10 business day advance notice period that the proposed change or expansion is material and must be submitted for FCA approval under the provisions of § 611.1155.

§ 611.1210 Advance notices—commencement resolution and notice to equity holders.

(a) *Adoption of commencement resolution.* Your board of directors must begin the termination process by adopting a commencement resolution stating your intention to terminate Farm Credit status under section 7.10 of the Act. Immediately after you adopt the commencement resolution, send a certified copy by overnight mail to us and to the Farm Credit System Insurance Corporation (FCSIC). If your institution is an association, also send a copy to your affiliated bank. If your institution is a bank, also send a copy to your affiliated associations, the other Farm Credit banks, and the Federal Farm Credit Banks Funding Corporation (Funding Corporation).

(b) *Advance notice.* Within 5 business days after adopting the commencement resolution, you must:

(1) Send us copies of all contracts and agreements related to the termination.

(2) Subject to paragraph (b)(2)(ii) of this section:

(i) Send an advance notice to all equity holders stating you are taking steps to terminate System status. Immediately upon mailing the notice to equity holders, you must also place it in a prominent location on your Web site. The advance notice must describe the following:

(A) The process of termination;

(B) The expected effect of termination on borrowers and other equity holders, including the effect on borrower rights and the consequences of any stock retirements before termination;

(C) The type of charter the successor institution will have; and

(D) Any bylaw creating a special class of borrower stock and participation certificates under paragraph (f) of this section.

(ii) Send us a draft of the advance notice by facsimile or electronic mail before mailing it to your equity holders. If we have not contacted you within 2 business days of our receipt of the draft notice regarding modifications, you may mail the notice to your equity holders.

(c) *Bank negotiations on joint and several liability.* If your institution is a terminating bank, within 10 days of adopting the commencement resolution, your bank and the other Farm Credit banks must begin negotiations to provide for your satisfaction of liabilities (other than your primary liability) under section 4.4 of the Act. The Funding Corporation may, at its option, be a party to the negotiations to the extent necessary to fulfill its duties with respect to financing and disclosure. The agreement must comply with the requirements in § 611.1270(c).

(d) *Disclosure to loan applicants and equity holders after commencement resolution.* Between the date your board of directors adopts the commencement resolution and the termination date, you must give the following information to your loan applicants and equity holders:

(1) For each loan applicant who is not a current stockholder, describe at the time of loan application:

(i) The effect of the proposed termination on the prospective loan; and

(ii) Whether, after the proposed termination, the borrower will continue to have any of the borrower rights provided under the Act and regulations.

(2) For any equity holders who ask to have their equities retired, explain that the retirement would extinguish the holder's right to exchange those equities for an interest in the successor institution. In addition, inform holders of equities entitled to your residual assets in liquidation that retirement before termination would extinguish their right to dissent from the termination and have their equities retired.

(e) *Terminating bank's right to continue issuing debt.* Through the termination date, a terminating bank may continue to participate in the issuance of consolidated and System-wide obligations

to the same extent it would be able to participate if it were not terminating.

(f) *Special class of stock.* Notwithstanding any requirements to the contrary in §615.5230(c) of this chapter, you may adopt bylaws providing for the issuance of a special class of stock and participation certificates between the date of adoption of a commencement resolution and the termination date. Your voting stockholders must approve the special class before you adopt the commencement resolution. The equities must comply with section 4.3A of the Act and be identical in all respects to existing classes of equities that are entitled to the residual assets of the institution in a liquidation, except for the value a holder will receive in a termination. In a termination, the holder of the special class of stock receives value equal to the lower of either par (or face) value, or the value calculated under §611.1280(c) and (d). A holder must have the same right to vote (if the equity is held on the voting record date) and to dissent as holders of similar equities issued before the commencement resolution. If the termination does not occur, the special classes of stock and participation certificates must automatically convert into shares of the otherwise identical equities.

§611.1211 Special requirements.

(a) *Special assessments, analyses, studies, and rulings.* At any time after we receive your commencement resolution, and as we deem necessary or useful to evaluate your proposal, we may require you to engage independent experts, acceptable to us, to conduct assessments, analyses, or studies, or to request rulings, including, but not limited to:

(1) Assessments of fair value;

(2) Analyses and rulings on tax implications; and

(3) Studies of the effect of your proposal on equity holders (including the effect on holders in their capacity as borrowers), the System, and other parties.

(b) *Informational meetings.* After the advance notice, but before the stockholder vote, we may require you to hold regional or local informational meetings in convenient locations, at convenient times, and in a manner conducive to accommodating all equity holders that wish to attend, to discuss equity holder issues and answer questions. These meetings are subject to the plain language requirements of §611.1217(b) regarding balanced statements.

§611.1215 Communications with the public and equity holders.

(a) *Communications after commencement resolution and before termination.* The terminating institution may communicate with equity holders and the public regarding the proposed termination, as long as written communications (other than non-public communications among participants, *i.e.*, persons or entities that are parties to a proposed corporate restructuring involving the successor institution, or their agents) made in connection with or relating to the proposed termination and any related transactions are filed in accordance with paragraph (c) of this section and the conditions in this section are satisfied.

(b) To rely on this section, you must include the following legend in each communication in a prominent location:

Equity holders should read the plan of termination that they have received or will receive (as appropriate) because it contains important information, including an enumerated statement of the anticipated benefits and potential disadvantages of the proposal.

(c) All your written communications and all written communications by your directors, employees, and agents in connection with or relating to the proposed termination or any related transactions must be filed with us under this section on or before the date of first use.

(d) We will require you to correct communications that we deem are misleading or inaccurate.

(e) In addition to the filings we require under paragraph (c) of this section, we may require you to file timely any written communications you have knowledge of that are made by any other participants or their agents in

connection with or related to the proposed termination or to any transaction related to the proposed termination.

(f) An immaterial or unintentional failure to file or a delay in filing a written communication described in this section will not result in a violation of this section, as long as:

(1) A good faith and reasonable effort was made to comply with the filing requirement; and

(2) The written communication is filed as soon as practicable after discovery of the failure to file.

(g) Communications that exist in electronic form must be filed electronically with the FCA as we direct. For communications that do not exist in electronic form, you must timely notify us by electronic mail and send us a copy by regular mail.

(h) You do not need to file a written communication that does not contain new or different information from that which you have previously publicly disclosed and filed under this section.

§ 611.1216 Public availability of documents related to the termination.

(a) We may post on our Web site, or require you to post on your Web site:

(1) Results of any special assessments, analyses, studies, and rulings required under § 611.1211;

(2) Documents you submit to us or file with us under § 611.1215; and

(3) Documents you submit to us under section 7.11 of the Act that are related directly or indirectly to the proposed termination, including but not limited to contracts entered into in connection with or relating to the proposed termination and any related transactions.

(b) We will not post confidential information on our Web site and will not require you to post it on your Web site.

(c) You may request that we treat specific information as confidential under the Freedom of Information Act, 5 U.S.C. 552 (*see* 12 CFR part, 602 subpart B). You should draft your request for confidential treatment narrowly to extend only to those portions of a document you consider to be confidential. If you request confidential treatment for information that we do not consider to be confidential, we may post that information on our Web site after providing notice to you. On our own initiative, we may determine that certain information should be treated as confidential and, if so, we will not make that information public.

§ 611.1217 Plain language requirements.

(a) *Plain language presentation.* All communications to equity holders required under §§ 611.1210, 611.1223, 611.1240, and 611.1280 must be clear, concise, and understandable. You must:

(1) Use short, explanatory sentences, bullet lists or charts where helpful, and descriptive headings and subheadings;

(2) Minimize the use of glossaries or defined terms;

(3) Write in the active voice when possible; and

(4) Avoid legal and highly technical business terminology.

(b) *Balanced statements.* Communications to equity holders that describe or enumerate anticipated benefits of the proposed termination should also describe or enumerate the potential disadvantages to the same degree of detail.

§ 611.1218 Role of directors.

(a) *Statements by directors.* Directors may not be prohibited by confidentiality agreements or otherwise from publicly or privately commenting orally or in writing on the termination proposal and related matters.

(b) *Directors' right to obtain independent advice.* One or more directors of a terminating institution or an institution that is considering terminating have the right to obtain independent legal and financial advice regarding the proposed termination and related transactions. The institution must pay for such advice and related expenses as are reasonable in light of the circumstances. A request by a director or directors for the institution to pay such expenses cannot be denied unless the board of directors, by at least a two-thirds vote of the full board (the total number of current directors), denies the request. The institution must act on any request in a timely manner. For any denial of payment, the board must provide notice to the FCA within

1 business day of the denial, fully document the reasons for such a denial, and ensure that the institution discloses the nature of the request and the reasons for any denial to the terminating institution's equity holders in the plan of termination.

§611.1219 Prohibited acts.

(a) *Statements about termination.* Neither the institution nor any director, officer, employee, or agent may make any untrue or misleading statement of a material fact, or fail to disclose any material fact, to the FCA or a current or prospective equity holder about the proposed termination and any related transactions.

(b) *Representations regarding FCA approval.* Neither the institution nor any director, officer, employee, or agent may make an oral or written representation to anyone that our approval of the plan of termination or the termination is, directly or indirectly, either a recommendation on the merits of the proposal or an assurance that the information you give to your equity holders is adequate or accurate.

§611.1220 Termination resolution.

No more than 1 week before you submit your plan of termination to us, your board of directors must adopt a termination resolution stating its support for terminating your status as a System institution and authorizing:

(a) Submission to us of a plan of termination and other required submissions that comply with §611.1223; and

(b) Submission of the plan of termination to the voting stockholders if we approve the plan of termination under §611.1230 or, if we take no action, after the end of our approval period.

§611.1221 Submission to FCA of plan of termination and disclosure information; other required submissions.

(a) *Filing.* Send us an original and five copies of the plan of termination, including the disclosure information, and other required submissions. You may not file the plan of termination until at least 30 days after you mail the equity holder notice under §611.1210(b). If you send us the plan of termination in electronic form, you must send us at least one hard copy with original signatures.

(b) *Plan contents.* The plan of termination must include your equity holder disclosure information that complies with §611.1223.

(2) A copy of the charter application for the successor institution, with any exhibits or other supporting information; and

(3) A statement, if applicable, whether the successor institution will continue to borrow from a Farm Credit bank and how such a relationship will affect your provision for payment of debts. You must also provide evidence of any agreement and plan for satisfaction of outstanding debts.

§611.1223 Plan of termination—contents.

(a) *Disclaimer.* Place the following statement in boldface type in the material to be sent to equity holders, either on the notice of meeting or the first page of the plan of termination:

The stockholder meeting to vote on the termination must occur at least 60 days after our approval of the plan of termination (or, if we take no action, at least 60 days after the end of our approval period).

(b) *Voting record date.* The voting record date may not be more than 70 days before the stockholders' meeting.

(c) *Quorum requirement for termination vote.* At least 30 percent, unless your bylaws provide for a higher quorum, of the voting stockholders of the institution must be present at the meeting either in person or by proxy in order to hold the vote on the termination.

(d) *Approval requirement.* The affirmative vote of a majority of the voting stockholders of the institution present and voting or voting by proxy at the duly authorized meeting at which a quorum is present as prescribed in paragraph (c) of this section is required for approval of the termination.

(e) *Voting procedures.* The voting procedures must comply with §611.340. You must have an independent third party count the ballots. If a voting stockholder notifies you of the stockholder's intent to exercise dissenters' rights, the tabulator must be able to verify to you that the stockholder voted against the termination. Otherwise, the votes of stockholders must remain confidential.

(f) *Notice to FCA and equity holders of voting results.* Within 10 days of the termination vote, you must send us a certified record of the results of the vote. You must notify all equity holders of the results within 30 days after the stockholder meeting. If the stockholders approve the termination, you must give the following information to equity holders:

(1) Stockholders who voted against termination and equity holders who were not entitled to vote have a right to dissent as provided in §611.1280; and

(2) Voting stockholders have a right, under §611.1245, to file a petition with the FCA for reconsideration within 35 days after the date you mail to them the notice of the results of the termination vote.

(g) *Requirement to notify new equity holders.* You must provide the information described in paragraph (f)(1) of this section to each person that becomes an equity holder after the termination vote and before termination.

[71 FR 44420, Aug. 4, 2006, as amended at 75 FR 18743, Apr. 12, 2010]

§611.1245 Stockholder reconsideration.

(a) *Right to reconsider termination.* Voting stockholders have the right to reconsider their approval of the termination if a petition signed by at least 15 percent of the voting stockholders is filed with us within 35 days after you mail notices to stockholders that the termination was approved. If we determine that the petition complies with the requirements of section 7.9 of the Act, you must call a special stockholders' meeting to reconsider the vote. The meeting must occur within 60 days after the date on which you mailed to stockholders the results of the termination vote.

(b) *Quorum requirement for termination reconsideration vote.* At least 30 percent, unless your bylaws provide for a higher quorum, of the voting stockholders of the institution must be present at the stockholders' meeting either in person or by proxy in order to hold the reconsideration vote. If a majority of the voting stockholders voting in person or by proxy vote against the termination, the termination may not take place.

(c) *Stockholder list and expenses.* You must, at your expense, timely give stockholders who request it a list of the names and addresses of stockholders eligible to vote in the reconsideration vote. The petitioners must pay all other expenses for the petition. You must pay expenses that you incur for the reconsideration vote.

§611.1246 Filing of termination application and its contents.

(a) *Filing of termination application.* Send us your termination application no later than 90 days after you send us notice of the stockholder vote approving the termination. Please send us an original and five copies of the termination application for review and approval. If you send us the termination application in electronic form, you must send us at least one hard copy with original signatures.

(b) *Contents of termination application.* The application must contain:

(1) A certified copy of the termination and reaffirmation resolutions;

(2) A certification signed by the board of directors that the board continues to support the termination, there has been no material change to any of the information contained in the plan of termination or information statement after the FCA approved the

plan of termination, and there have not been any subsequent events that could have a material impact on any of the information in the plan of termination or the termination; and

(3) Any additional information that is required under this subpart, that we request or that your board of directors wishes to submit in support of the application.

§ 611.1247 FCA review and approval—termination.

(a) *FCA action on application.* After we receive the termination application, we will review it and either approve or disapprove the termination.

(b) *Basis for disapproval.* We will disapprove the termination if we determine that there are one or more appropriate reasons for disapproval consistent with our authorities under the Act and our regulations. We will inform you of our reason(s) for disapproval in writing.

(c) *Conditions of FCA approval.* We will approve your termination application only if:

(1) Your stockholders have voted in favor of termination in the termination vote and in any reconsideration vote;

(2) You have given us executed copies of all contracts, agreements, and other documents submitted under §§ 611.1221 and 611.1223;

(3) You have paid or made adequate provision for payment of debts, including responsibility for any contingent liabilities, and for retirement of equities;

(4) A Federal or State chartering authority has granted a new charter to the successor institution;

(5) You deposit into escrow an amount equal to 110 percent of the estimated exit fee plus 110 percent of the estimated amount you must pay to retire equities of dissenting stockholders and Farm Credit institutions, as described in § 611.1255(c); and

(6) You have fulfilled any condition of termination we impose.

(d) *Effective date of termination.* If we approve the termination, we will revoke your charter, and the termination will be effective on the date that we provide, but no earlier than the last to occur of:

(1) Fulfillment of all conditions listed in or imposed under paragraph (c) of this section;

(2) Your proposed termination date;

(3) Ninety (90) days after we receive your termination application described in § 611.1246; or

(4) Fifteen (15) days after any reconsideration vote.

§ 611.1250 Preliminary exit fee estimate.

(a) *Preliminary exit fee estimate—terminating association.* You must provide a preliminary exit fee estimate to us when you submit the plan of termination under § 611.1221. Calculate the preliminary exit fee estimate in the following order:

(1) Base your exit fee calculation on the average daily balances of assets and liabilities for the 12-month period as of the quarter end immediately before the date you send us your plan of termination.

(2) Any amounts we refer to in this section are average daily balances unless we specify that they are not. Amounts that are not average daily balances will be referred to as ''dollar amount.''

(3) Compute the average daily balances based on financial statements that comply with GAAP. The financial statements, as of the quarter end immediately before the date you send us your plan of termination, must be independently audited by a qualified public accountant. We may, in our discretion, waive the audit requirement if an independent audit was performed as of a date less than 6 months before you submit the plan of termination.

(4) Make adjustments to assets as follows:

(i) Add back expenses you have incurred related to termination. Related expenses include, but are not limited to, legal services, accounting services, tax services, studies, auditing, business planning, equity holder meetings, and application fees for the termination and reorganization. Do not add back to assets expenses related to a requirement by the FCA to engage independent experts to conduct assessments, analyses, or studies, or to request rulings that solely address the

impact of the termination on the System or parties other than the terminating institution and its stockholders.

(ii) Subtract the dollar amount of estimated current and deferred tax expenses, if any, due to the termination.

(iii) Add the dollar amount of estimated current and deferred tax benefits, if any, due to the termination.

(iv) Adjust for the dollar amount of significant transactions you reasonably expect to occur between the quarter end before you file your plan of termination and date of termination. Examples of these transactions include, but are not limited to, gains or losses on the sale of assets, retirements of equity, loan repayments, and patronage distributions. Do not make adjustments for future expenses related to termination, such as severance or special retirement payments, or stock retirements to dissenting stockholders and Farm Credit institutions.

(5) Subtract from liabilities any liability that we treat as regulatory capital under the capital or collateral requirements in subparts H and K of part 615 of this chapter.

(6) Make any adjustments we require under paragraph (c) of this section.

(7) After making these adjustments to assets and liabilities, subtract liabilities from assets. This is your preliminary total capital for purposes of termination.

(8) Multiply assets as adjusted above by 6 percent, and subtract this amount from preliminary total capital. This is your preliminary exit fee estimate.

(b) *Preliminary exit fee estimate—terminating bank.* (1) Affiliated associations that are terminating with you must calculate their individual preliminary exit fee estimates as described in paragraph (a) of this section.

(2) Base your exit fee calculation on the average daily balances of assets and liabilities for the 12-month period as of the quarter end immediately before the date you send us your plan of termination.

(3) Any amounts we refer to in this section are average daily balances unless we specify that they are not. Amounts that are not average daily balances will be referred to as ''dollar amount.''

(4) Compute the average daily balances based on bank-only financial statements that comply with GAAP. The financial statements, as of the quarter end immediately before the date you send us your plan of termination, must be independently audited by a qualified public accountant. We may, in our discretion, waive this requirement if an independent audit was performed as of a date less than 6 months before you submit the plan of termination.

(5) Make adjustments to assets and liabilities as follows:

(i) Add back to assets the following:

(A) Expenses you have incurred related to termination. Related expenses include, but are not limited to, legal services, accounting services, tax services, studies, auditing, business planning, equity holder meetings, and application fees for the termination and reorganization. Do not add back to assets expenses related to a requirement by the FCA to engage independent experts to conduct assessments, analyses, or studies, or to request rulings that solely address the impact of the termination on the System or parties other than the terminating institution and its stockholders.

(B) Any specific allowance for losses, and a pro rata portion of any general allowance for loan losses, on direct loans to associations that you do not expect to incur before or at termination.

(ii) Subtract from your assets and liabilities an amount equal to your direct loans to your affiliated associations that are not terminating.

(iii) Subtract the following from assets:

(A) Equity investments in your institution that are held by nonterminating associations and that you expect to transfer to another System bank before or at termination. A nonterminating association's investment consists of purchased equities, allocated equities, and a share of the bank's unallocated surplus calculated in accordance with the bank's bylaw provisions on liquidation. We may require a different calculation method for the unallocated surplus if we determine that using the liquidation provision would be inequitable to stockholders; and

(B) The dollar amount of estimated current and deferred tax expenses, if any, due to the termination.

(iv) Add the dollar amount of current and deferred estimated tax benefits, if any, due to the termination.

(v) Subtract from liabilities any liability that we treat as regulatory capital under the capital or collateral requirements in subparts H and K of part 615 of this chapter.

(vi) Adjust for the dollar amount of significant transactions you reasonably expect to occur between the quarter end before you file your plan of termination and date of termination. Examples of these transactions include, but are not limited to, retirements of equity, loan repayments, and patronage distributions. Do not make adjustments for future expenses related to termination, such as severance or special retirement payments, or stock retirements to dissenting stockholders and Farm Credit institutions.

(6) Make any adjustments we require under paragraph (c) of this section.

(7) After the above adjustments, combine your balance sheet with the balance sheets of your terminating associations after they have made the adjustments required in paragraph (a) of this section. Subtract liabilities from assets. This is your preliminary total capital estimate for purposes of termination.

(8) Multiply the assets of the combined balance sheet after the above adjustments by 6 percent. Subtract this amount from the preliminary total capital estimate of the combined balance sheet. The remainder is the preliminary exit fee estimate of the bank and terminating affiliated associations.

(9) Your preliminary exit fee estimate is the amount by which the preliminary exit fee estimate for the combined entity exceeds the total of the individual preliminary exit fee estimates of your affiliated terminating associations.

(c) *Adjustments.* (1) We will review your account balances, transactions over the 3 years before the date of the termination resolution under § 611.1220, and any subsequent transactions. Our review will include, but not be limited to, the following:

(i) Additions to or subtractions from any allowance for losses;

(ii) Additions to assets or liabilities, or subtractions from assets or liabilities, due to transactions that are outside your ordinary course of business;

(iii) Dividends or patronage refunds exceeding your usual practices;

(iv) Changes in the institution's capital plan, or in implementing the plan, that increased or decreased the level of borrower investment;

(v) Contingent liabilities, such as loss-sharing obligations, that can be reasonably quantified; and

(vi) Assets, including real property and servicing rights, that may be overvalued, undervalued, or not recorded on your books.

(2) If we determine the account balances do not accurately show the value of your assets and liabilities (whether the assets and liabilities were booked before or during the 3-year look-back adjustment period), we will make any adjustments we deem necessary.

(3) We may require you to reverse the effect of a transaction if we determine that:

(i) You have retired capital outside the ordinary course of business;

(ii) You have taken any other actions unrelated to your core business that have the effect of changing the exit fee; or

(iii) You incurred expenses related to termination prior to the 12-month average daily balance period on which the exit fee calculation is based.

(4) We may require you to make these adjustments to the preliminary exit fee estimate that is disclosed in the information statement, the final exit fee calculation, and the calculations of the value of equities held by dissenting stockholders, Farm Credit institutions that choose to have their equities retired at termination, and reaffiliating associations.

[67 FR 17909, Apr. 12, 2002, as amended at 71 FR 76118, Dec. 20, 2006]

§ 611.1255 Exit fee calculation.

(a) *Final exit fee calculation—terminating association.* Calculate the final exit fee in the following order:

(1) Base your exit fee calculation on the average daily balances of assets and liabilities for the 12-month period

preceding the termination date. Assume for this calculation that you have not paid or accrued the items described in paragraph (a)(4)(ii) and (iii) of this section.

(2) Any amounts we refer to in this section are average daily balances unless we specify that they are not. Amounts that are not average daily balances will be referred to as ''dollar amount.''

(3) Compute the average daily balances based on financial statements that comply with GAAP. The financial statements, as of the termination date, must be independently audited by a qualified public accountant.

(4) Make adjustments to assets and liabilities as follows:

(i) Add back expenses related to the termination. Related expenses include, but are not limited to, legal services, accounting services, tax services, studies, auditing, business planning, payments of severance and special retirements, equity holder meetings, and application fees for the termination and reorganization. Do not add back to assets expenses related to a requirement by the FCA to engage independent experts to conduct assessments, analyses, or studies, or to request rulings that solely address the impact of the termination on the System or parties other than the terminating institution and its stockholders.

(ii) Subtract from assets the dollar amount of current and deferred tax expenses, if any, due to the termination.

(iii) Add to assets the dollar amount of current and deferred tax benefits, if any, due to the termination.

(iv) Subtract from liabilities any liability that we treat as regulatory capital under the capital or collateral requirements in subparts H and K of part 615 of this chapter.

(v) Make the adjustments that we require under §611.1250(c). For the final exit fee, we will review and may require additional adjustments for transactions between the date you adopted the termination resolution and the termination date.

(5) After making these adjustments to assets and liabilities, subtract liabilities from assets. This is your total capital for purposes of termination.

(6) Multiply assets by 6 percent, and subtract this amount from total capital. This is your final exit fee.

(b) *Final exit fee calculation—terminating bank.* (1) The individual exit fees of affiliated associations that are terminating with you must be calculated as described in paragraph (a) of this section.

(2) Base your exit fee calculation on the average daily balances of assets and liabilities for the 12-month period preceding the termination date. Assume for this calculation that you have not paid or accrued the items described in paragraph (b)(5)(iii)(B) and (b)(5)(iv) of this section.

(3) Any amounts we refer to in this section are average daily balances unless we specify that they are not. Amounts that are not average daily balances will be referred to as ''dollar amount.''

(4) Compute the average daily balances based on bank-only financial statements that comply with GAAP. The financial statements, as of the termination date, must be independently audited by a qualified public accountant.

(5) Make adjustments to assets and liabilities as follows:

(i) Add back the following to your assets:

(A) Expenses you have incurred related to termination. Related expenses include, but are not limited to, legal services, accounting services, tax services, studies, auditing, business planning, payments of severance and special retirements, equity holder meetings, and application fees for the termination and reorganization. Do not add back to assets expenses related to a requirement by the FCA to engage independent experts to conduct assessments, analyses, or studies, or to request rulings that solely address the impact of the termination on the System or parties other than the terminating institution and its stockholders.

(B) Any specific allowance for losses, and a pro rata share of any general allowance for losses, on direct loans to associations that are paid off or transferred before or at termination.

(ii) Subtract from your assets and liabilities your direct loans to affiliated associations that were paid off or

transferred in the 12-month period before termination or at termination.

(iii) Subtract from your assets the following:

(A) Equity investments held in your institution by affiliated associations that you transferred at termination or during the 12 months before termination; and

(B) The dollar amount of current and deferred tax expenses, if any, due to the termination;

(iv) Add to assets, the dollar amount of estimated current and deferred tax benefits, if any, due to the termination.

(v) Subtract from liabilities any liability that we treat as regulatory capital (or that we do not treat as a liability) under the capital or collateral requirements in subparts H and K of part 615 of this chapter.

(vi) Make the adjustments that we require under § 611.1250(c). For the final exit fee, we will review and may require additional adjustments for transactions between the date you adopted the termination resolution and the termination date.

(6) After the above adjustments, combine your balance sheet with the balance sheets of terminating associations after making the adjustments required in paragraph (a) of this section.

(7) Subtract combined liabilities from combined assets. This is the total capital of the combined balance sheet.

(8) Multiply the assets of the combined balance sheet after the above adjustments by 6 percent. Subtract this amount from the total capital of the combined balance sheet. This amount is the combined final exit fee for your institution and the terminating affiliated associations.

(9) Your final exit fee is the amount by which the combined final exit fee exceeds the total of the individual final exit fees of your affiliated terminating associations.

(c) *Payment of exit fee.* On the termination date, you must:

(1) Deposit into an escrow account acceptable to us and the FCSIC an amount equal to 110 percent of the preliminary exit fee estimate, adjusted to account for stock retirements to dissenting stockholders and Farm Credit institutions, and any other adjustments we require.

(2) Deposit into an escrow account acceptable to us an amount equal to 110 percent of the equity you must retire for dissenting stockholders and System institutions holding stock that would be entitled to a share of the remaining assets in a liquidation.

(d) *Pay-out of escrow.* Following the independent audit of the institution's account balances as of the termination date, we will determine the amount of the final exit fee and the amounts owed to stockholders to retire their equities. We will then direct the escrow agent to:

(1) Pay the exit fee to the Farm Credit Insurance Fund;

(2) Pay the amounts owed to dissenting stockholders and Farm Credit institutions; and

(3) Return any remaining amounts to the successor institution.

(e) *Additional payment.* If the amount held in escrow is not enough to pay the amounts under paragraph (d)(1) and (d)(2) of this section, the successor institution must pay any remaining liability to the escrow agent for distribution to the appropriate parties. The termination application must include evidence that, after termination, the successor institution will pay any remaining amounts owed.

[67 FR 17909, Apr. 12, 2002, as amended at 71 FR 76118, Dec. 20, 2006]

§ 611.1260 Payment of debts and assessments—terminating association.

(a) *General rule.* If your institution is a terminating association, you must pay or make adequate provision for the payment of all outstanding debt obligations and assessments.

(b) *No OFI relationship.* If the successor institution will not become an OFI, you must either:

(1) Pay debts and assessments owed to your affiliated Farm Credit bank at termination; or

(2) With your affiliated Farm Credit bank's concurrence, arrange to pay any obligations or assessments to the bank after termination.

(c) *Obligations to other Farm Credit institutions.* You must pay or make adequate provision for payment of obligations to any Farm Credit institution

(other than your affiliated bank) under any loss-sharing or other agreement.

§611.1265 Retirement of a terminating association's investment in its affiliated bank.

(a) *Safety and soundness restrictions.* Notwithstanding anything in this subpart to the contrary, we may prohibit a bank from retiring the equities you hold in the bank if the retirement would cause the bank to fall below its regulatory capital requirements after retirement, or if we determine that the bank would be in an unsafe or unsound condition after retirement.

(b) *Retirement agreement.* Your affiliated bank may retire the purchased and allocated equities held by your institution in the bank according to the terms of the bank's capital revolvement plan or an agreement between you and the bank.

(c) *Retirement in absence of agreement.* Your affiliated bank must retire any equities not subject to an agreement or revolvement plan no later than when you or the successor institution pays off your loan from the bank.

(d) *No retirement of unallocated surplus.* When your bank retires equities you own in the bank, the bank must pay par or face value for purchased and allocated equities, less any impairment. The bank may not pay you any portion of its unallocated surplus.

(e) *Exclusion of equities from capital ratios.* If another Farm Credit institution makes an agreement to retire equities you hold in that institution after termination, we may require that institution to exclude part or all of those equities from assets and capital when the institution calculates its regulatory capital under parts 615 and 628 of this chapter.

[71 FR 44420, Aug. 4, 2006, as amended at 81 FR 49772, July 28, 2016]

§611.1270 Repayment of obligations—terminating bank.

(a) *General rule.* If your institution is a terminating bank, you must pay or make adequate provision for the payment of all outstanding debt obligations, and provide for your responsibility for any probable contingent liabilities identified.

(b) *Satisfaction of primary liability on consolidated or System-wide obligations.* After consulting with the other Farm Credit banks, the Funding Corporation, and the FCSIC, you must pay or make adequate provision for payment of your primary liability on consolidated or System-wide obligations in a method that we deem acceptable. Before we make a final decision on your proposal and as we deem necessary, we may consult with the other Farm Credit banks, the Funding Corporation, and the FCSIC.

(c) *Satisfaction of joint and several liability and liability for interest on individual obligations.* (1) You and the other Farm Credit banks must enter into an agreement, which is subject to our approval, covering obligations issued under section 4.2 of the Act and outstanding on the termination date. The agreement must specify how you and your successor institution will make adequate provision for the payment of your joint and several liability to holders of obligations other than those obligations on which you are primarily liable, in the event we make calls for payment under section 4.4 of the Act. You and your successor institution must also provide for your liability under section 4.4(a)(1) of the Act to pay interest on the individual obligations issued by other System banks. As a part of the agreement, you must also agree that your successor institution will provide ongoing information to the Funding Corporation to enable it to fulfill its funding and disclosure duties. The Funding Corporation may, at its option, be a party to the agreement to the extent necessary to fulfill its duties with respect to financing and disclosure.

(2) If you and the other Farm Credit banks are unable to reach agreement within 90 days before the proposed termination date, we will specify the manner in which you will make adequate provision for the payment of the liabilities in question and how we will make joint and several calls for those obligations outstanding on the termination date.

(3) Notwithstanding any other provision in these regulations, the successor institution will be jointly and severally liable for consolidated and System-

wide debt outstanding on the termination date (other than the obligations on which you are primarily liable). The successor institution will also be liable for interest on other banks' individual obligations as described in section 4.4(a)(1) of the Act and outstanding on the termination date. The termination application must include evidence that the successor institution will continue to be liable for consolidated and System-wide debt and for interest on other banks' individual obligations.

§ 611.1275 Retirement of equities held by other System institutions.

(a) *Retirement at option of equity holder.* If your institution is a terminating institution, System institutions that own your equities have the right to require you to retire the equities on the termination date.

(b) *Value of equity holders' interests.* You must retire the equities in accordance with the liquidation provisions in your bylaws unless we determine that the liquidation provisions would result in an inequitable distribution to stockholders. If we make such a determination, we will require you to distribute the equity in accordance with another method that we deem equitable to stockholders. Before you retire any equity, you must make the following adjustments to the amount of stockholder equity as stated in the financial statements on the termination date:

(1) Make deductions for any taxes due to the termination that have not yet been recorded;

(2) Deduct the amount of the exit fee; and

(3) Make any adjustments described under § 611.1250(c) that we may require as we deem appropriate.

(c) *Transfer of affiliated association's investment.* As an alternative to equity retirement, an affiliated association that reaffiliates with another Farm Credit bank instead of terminating with its bank has the right to require the terminating bank to transfer its investment to its new affiliated bank when it reaffiliates. If your institution is a terminating bank, at the time of reaffiliation you must transfer the purchased and allocated equities held by the association, as well as its share of unallocated surplus, to the new affiliated bank. Calculate the association's share before deduction of the exit fee as of the month end preceding the reaffiliation date (or the termination date if it is the same as the reaffiliation date) in accordance with the liquidation provisions of your bylaws, unless we determine that the liquidation provisions would result in an inequitable distribution. If we make such a determination, we will require you to distribute the association's share of your unallocated surplus in accordance with another method that we deem equitable to stockholders. Before you distribute any unallocated surplus, you must make the following adjustments to stockholder equity as stated in the financial statements as of the month end preceding the reaffiliation date (or the termination date if it is the same as the reaffiliation date):

(1) Add back any taxes due to the termination, and the exit fee; and

(2) Make any adjustments described under § 611.1250(c) that we may require as we deem appropriate.

(d) *Prohibition on certain affiliations.* No Farm Credit institution may retain an equity interest otherwise prohibited by law in a successor institution

§ 611.1280 Dissenting stockholders' rights.

(a) *Definition.* A dissenting stockholder is an equity holder (other than a System institution) in a terminating institution on the termination date who either:

(1) Was eligible to vote on the termination resolution and voted against termination;

(2) Was an equity holder on the voting record date but was not eligible to vote; or

(3) Became an equity holder after the voting record date.

(b) *Retirement at option of a dissenting stockholder.* A dissenting stockholder may require a terminating institution to retire the stockholder's equity interest in the terminating institution.

(c) *Value of a dissenting stockholder's interest.* You must pay a dissenting stockholder according to the liquidation provision in your bylaws, except that you must pay at least par or face value for eligible borrower stock (as defined in section 4.9A(d)(2) of the Act).

If we determine that the liquidation provision is inequitable to stockholders, we will require you to calculate their share in accordance with another formula that we deem equitable.

(d) *Calculation of interest of a dissenting stockholder.* Before you retire any equity, you must make the following adjustments to the amount of stockholder equity as stated in the financial statements on the termination date:

(1) Deduct any taxes due to the termination that you have not yet recorded;

(2) Deduct the amount of the exit fee; and

(3) Make any adjustments described under §611.1250(c) that we may require as we deem appropriate.

(e) *Form of payment to a dissenting stockholder.* You must pay dissenting stockholders for their equities as follows:

(1) Pay cash for the par or face value of purchased stock, less any impairment;

(2) For equities other than purchased equities, you may:

(i) Pay cash;

(ii) Cause or otherwise provide for the successor institution to issue, on the date of termination, subordinated debt to the stockholder with a face value equal to the value of the remaining equities. This subordinated debt must have a maturity date of 7 years or less, must have priority in liquidation ahead of all equity, and must carry a rate of interest not less than the rate (at the time of termination) for debt of comparable maturity issued by the U.S. Treasury plus 1 percent; or

(iii) Provide for a combination of cash and subordinated debt as described above.

(f) *Payment to holders of special class of stock.* If you have adopted bylaws under §611.1210(f), you must pay a dissenting stockholder who owns shares of the special class of stock an amount equal to the lower of the par (or face) value or the value of such stock as determined under §611.1280(c) and (d).

(g) *Notice to equity holders.* The notice to equity holders required in §611.1240(f) must include a form for stockholders to send back to you, stating their intention to exercise dissenters' rights. The notice must contain the following information:

(1) A description of the rights of dissenting stockholders set forth in this section and the approximate value per share that a dissenting stockholder can expect to receive. State whether the successor institution will require borrowers to be stockholders or whether it will require stockholders to be borrowers.

(2) A description of the current book and par value per share of each class of equities, and the expected book and market value of the stockholder's interest in the successor institution.

(3) A statement that a stockholder must return the enclosed form to you within 30 days if the stockholder chooses to exercise dissenters' rights.

(h) *Notice to subsequent equity holders.* Equity holders that acquire their equities after the termination vote must also receive the notice described in paragraph (g) of this section. You must give them at least 5 business days to decide whether to request retirement of their stock.

(i) *Reconsideration.* If a reconsideration vote is held and the termination is disapproved, the right of stockholders to exercise dissenters' rights is rescinded. If a reconsideration vote is held and the termination is approved, you must retire the equities of dissenting stockholders as if there had been no reconsideration vote.

§611.1285 Loan refinancing by borrowers.

(a) *Disclosure of credit and loan information.* At the request of a borrower seeking refinancing with another System institution before you terminate, you must give credit and loan information about the borrower to such institution.

(b) *No reassignment of territory.* If, at the termination date, we have not assigned your territory to another System institution, any System institution may lend in your territory, to the extent otherwise permitted by the Act and the regulations in this chapter.

§ 611.1290 Continuation of borrower rights.

You may not require a waiver of contractual borrower rights provisions as a condition of borrowing from and owning equity in the successor institution. Institutions that become other financing institutions on termination must comply with the applicable borrower rights provisions in the Act and part 617 of this chapter.
