§§ 17.112–17.129 [Reserved]

§ 17.130 General prohibitions against discrimination.

(a) No qualified individual with handicaps in the United States, shall, by reason of his or her handicap, be excluded from the participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

(b)(1) The agency, in providing any aid, benefit, or service, may not directly or through contractual, licensing, or other arrangements, on the basis of handicap—

(i) Deny a qualified individual with handicaps the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified individual with handicaps an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified individual with handicaps with an aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

handicaps with aid, benefits or services that are as effective as those provided to others;

(v) Deny a qualified individual with handicaps the opportunity to participate as a member of planning or advisory boards; or

(vi) Otherwise limit a qualified individual with handicaps in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(2) For purposes of this part, aids, benefits, and services, to be equally effective, are not required to produce the identical result or level of achievement for individuals with handicaps and for nonhandicapped persons, but must afford individuals with handicaps equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement in the most integrated setting appropriate to the individual's needs.

(3) Even if the agency is permitted, under paragraph (b)(1)(iv) of this section, to operate a separate or different program for individuals with handicaps or for any class of individuals with handicaps, the agency must permit any qualified individual with handicaps who wishes to participate in the program that is not separate or different to do so.

(4) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified individuals with handicaps to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(5) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude individuals with handicaps from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or

§§ 17.131–17.139

(6) The agency, in the selection of procurement contractors, may not use criteria that subject qualified individuals with handicaps to discrimination on the basis of handicap.

(7) The agency may not administer a licensing or certification program in a manner that subjects qualified individuals with handicaps to discrimination on the basis of handicap, nor may the agency establish requirements for the programs or activities of licensees or certified entities that subject qualified individuals with handicaps to discrimination on the basis of handicap. However, the programs or activities of entities that are licensed or certified by the agency are not, themselves, covered by this part.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to individuals with handicaps or the exclusion of a specific class of individuals with handicaps from a program limited by Federal statute or Executive order to a different class of individuals with handicaps is not prohibited by this part.

(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified individuals with handicaps.

§§ 17.131–17.139 [Reserved]

§ 17.140 Employment.

No qualified individual with handicaps shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the Department. The definitions, requirements and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment of federally conducted programs or activities.

§§ 17.141–17.148 [Reserved]

§ 17.149 Program accessibility: Discrimination prohibited.

31 CFR Subtitle A (7–1–17 Edition)

denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 17.150 Program accessibility; Existing facilities.

(a) *General.* The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not require the agency—

(1) To make structural alterations in each of its existing facilities in order to make them accessible to and usable by individuals with handicaps where other methods are effective in achieving compliance with this section; or

(2) To take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with the §17.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(b) *Methods.* The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of

aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151-4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(c) *Time period for compliance.* The agency shall comply with the obligations established under this section within sixty (60) days of the effective date of this part except that where structural changes in facilities are undertaken, such changes in facilities are undertaken, such changes shall be made within three years of the effective date of this part, but in any event as expeditiously as possible.

(d) *Transition plan.* In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop within six months of the effective date of this part, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the development of the transition plan by submitting comments (both telephonic and written). A copy of the transition plan shall be made available for public inspection. The plan shall at a minimum—

(1) Identify physical obstacles in the agency's facilities that limit the physical accessibility of its programs or activities to individuals with handicaps;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

§ 17.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by individuals with handicaps. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151-4157), as established in 41 CFR 101-19.600 through 101-19.607 apply to buildings covered by this section.

§§ 17.152-17.159 [Reserved]

§ 17.160 Communications.

(a) The agency shall take appropriate steps to effectively communicate with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford an individual with handicaps an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the individual with handicaps.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature to applicants or participants in programs.

(2) Where the agency communicates with applicants and beneficiaries by telephone, the agency shall use telecommunication devices for deaf persons (TDD's) or equally effective telecommunication systems to communicate with persons with impaired hearing.

§§ 17.161–17.169

31 CFR Subtitle A (7–1–17 Edition)

(b) The agency shall make available to interested persons, including persons with impaired vision or hearing, information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall post notices at a primary entrance to each of its inaccessible facilities, directing users to an accessible facility, or to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens.

In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §17.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity.

§§ 17.161–17.169 [Reserved]

§ 17.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs and activities conducted by the agency.

The Deputy Assistant Secretary for Departmental Finance and Management shall be responsible for coordinating implementation of this section.

(d)(1) Any person who believes that he or she has been subjected to discrimination prohibited by this part may by him or herself or by his or her authorized representative file a complaint. Any person who believes that any specific class of persons has been subjected to discrimination prohibited by this part and who is a member of that class or the authorized representative of a member of that class may file a complaint.

(2) The agency shall accept and investigate all complete complaints over which it has jurisdiction.

(3) All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receive a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), is not readily accessible to and usable by individuals with handicaps.

(g)(1) Within 180 days of the receipt of a complete complaint over which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

(i) Findings of fact and conclusions of law;

(ii) A description of a remedy for each violation found; and

(iii) A notice of the right to appeal.

(2) Agency employees are required to cooperate in the investigation and attempted resolution of complaints. Employees who are required to participate in any investigation under this section shall do so as part of their official duties and during the course of regular duty hours.

(3) If a complaint is resolved informally, the terms of the agreement shall be reduced to writing and made part of the complaint file, with a copy of the agreement provided to the complainant. The written agreement shall describe the subject matter of the complaint and any corrective action to which the parties have agreed.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 60 days of receipt from the agency of the letter required by §17.170(g). The agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the Director, Human Resources Directorate, or his or her designee, who will issue the final agency decision which may include appropriate corrective action to be taken by the agency.

(j) The agency shall notify the complainant of the results of the appeal within 30 days of the receipt of the appeal. If the agency determines that it needs additional information from the complainant, it shall have 30 days from the date it received the additional information to make its determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of this section may be extended for an individual case when the Assistant Secretary for Departmental Finance and Management determines that there is good cause, based on the particular circumstances of that case, for the extension.

(l) The agency may delegate its authority for conducting complaint investigations to other Federal agencies or may contract with a nongovernment investigator to perform the investigation, but the authority for making the final determination may not be delegated to another agency.
