COUNCIL IMPLEMENTING REGULATION (EU) 2020/1367

of 1 October 2020

implementing Regulation (EU) No 269/2014 concerning restrictive measures in respect of actions undermining or threatening the territorial integrity, sovereignty and independence of Ukraine

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Regulation (EU) No 269/2014 of 17 March 2014 concerning restrictive measures in respect of actions undermining or threatening the territorial integrity, sovereignty and independence of Ukraine ⁽¹⁾, and in particular Article 14(1) thereof,

Having regard to the proposal of the High Representative of the Union for Foreign Affairs and Security Policy,

Whereas:

- (1) On 17 March 2014, the Council adopted Regulation (EU) No 269/2014.
- (2) On 23 December 2019, the President of the Russian Federation, Vladimir Putin, announced the opening of a railway bridge over the Kerch Strait, which marked the implementation of the broader project of connecting the railway infrastructures of the illegally annexed Crimean Peninsula and those of Russia.
- (3) The Union does not recognise the illegal annexation of Crimea and Sevastopol by the Russian Federation. The construction of the bridge and railway tracks connecting it to the pre-existing transport infrastructure aims at consolidating the Russian Federation's control over the illegally annexed Crimea and Sevastopol and further isolating the peninsula from Ukraine.
- (4) The Council considers that four entities and two individuals should be added to the list of persons, entities and bodies subject to restrictive measures as set out in Annex I to Regulation (EU) No 269/2014 for their role in designing, building or using the railway infrastructure linking Russia and the illegally annexed Crimean peninsula.
- (5) Annex I to Regulation (EU) No 269/2014 should therefore be amended accordingly,

HAS ADOPTED THIS REGULATION:

Article 1

The persons and entities listed in the Annex to this Regulation shall be added to the list set out in Annex I to Regulation (EU) No 269/2014.

Article 2

This Regulation shall enter into force on the date of its publication in the *Official Journal of the European Union*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 1 October 2020.
